

School of Film & Theatre

Course Overview

B.A in Dramatics (Drama)

Acting in theatre is what gives the world's best actors their inner strength and confidence to perform anywhere- in theatre, films, and television. The Course at MIT SFT's Department of Drama is designed to develop students into top-rated performers. Beginning with Movements, Voice culture and theatre techniques, the course moves students through various levels of performance in Monologues, Scene work, and full length Play performances.

In addition, students learn martial arts, performing for camera, make-up, and costumes besides studying various levels of performance on stage. The BA in Dramatics is a professional Course designed to train actors in the best possible manner.

Specialization Overview

Theatre Arts: MIT SFT'S Department of Theatre is a National Theatre Training Institute which focuses on Practical as well as Theoretical aspects of Theatre. We provide a full-time, three year's bachelor's in arts degree course in Dramatics. The entire course emphasizes a ratio of 60:40 Pattern that includes Practical and Theory respectively, with Hindi and English as the languages used as the medium for teaching. This course introduces students to different aspects of Theatre and Performing Arts and their interrelationships.
